

## DU SCIENCE FACULTY 28 get Dean's Award

DU CORRESPONDENT

Faculty of Science of Dhaka University (DU) yesterday conferred Dean's Award on 28 students of different departments under the faculty for their outstanding academic results without sitting for any improvement exams.

The award has been introduced with a view to appreciating the students in the faculty to do better without sitting for any improvement tests.

The students, who obtained the best result in honours examinations from 2000 and 2005 without improvement exams, received a certificate and a crest each at a ceremony at Teacher-Student Centre (TSC) auditorium.

The awardees in the session of 1999-2000 are Mohammad Rakibur Rahman of Physics department and Aminul Haq of Mathematics.

Atanu Rafique Khan of Physics department, Samsad Begum of Mathematics, Farhana Khanam Ferdousi of Chemistry, Md Maksudul Alam Bhuiyan of Geography and Environment, and Md Golam Murshed of Computer Science and Engineering were awarded in the session of 2000-2001.

In session 2001-2002, the awardees were Salma Begum of Physics department, Abu Torab Md Shamsur Rahman of Chemistry and Protik Mohammad Hossain of Computer Science and Engineering while Md Ewsuf Ali of Mathematics department, Md Shahidur Rahman of Chemistry, Shammi Rahman of Geography and Environment and Rony Hasinur Rahman of Computer Science and Engineering department were awarded in the session 2002-2003.

Awardees in the session of 2003-2005 are Saki Ahmed Khan of Physics department, KM Salahuddin of Mathematics, Khorshed Jahan of Chemistry, Mohammed Zahidur Rahman of Geography and Environment, Sakhawat Hussain of Applied Physics, Electronics and Communication Engineering, Shamsul Morshed of Applied Chemistry and Chemical Technology, Md Mahmudul Hasan of Computer Science and Engineering department while AA Habib of Physics department, Tania Sharmin Khaleque of Mathematics, Mohammad Rezaul Karim of Chemistry, Md Lulu Miah of Statistics, Suman Kumar Sarker of Geography and Environment, Tahmina Zebin of Applied Physics, Electronics and Communication Engineering and Mitrar Kabir of Computer Science and Engineering were awarded in the session 2004-2005.

DU Vice-chancellor (VC) Prof SMA Faiz handed over the crests and certificates to the students at the programme.

Prof Faiz said acquiring such marks without sitting for any improvement exams in the four-year honours course is really appreciating. This award would encourage students to work hard to do better without giving any improvement tests.
