### SCBA demand release of detained DU teachers, students

Supreme Court Bar Association has demanded immediate release of the detained Dhaka University teachers and students and withdrawal of cases filed against them, reports UNB.

Secretary of the Bar Association AM Aminuddin and its former secretaries M. Shahidul Karim Siddique, M. Momtazuddin Fakir, M. Mahbub Ali, Bashir Ahmed and M. Enayetullah Rahman, in a joint statement, said people of all professions and classes hoped that the caretaker government would resolve the problem positively.

But the government has intensified the problem taking wrong advice from a section, which is very disappointing and painful, they said.

This can hamper the atmosphere in the country's educational institutions, including Dhaka University and Rajshahi University, they added.

The lawyers hoped that the government would consider their demand with sympathy.
