

Pvt varsity VCs call to implement proposed HEQEP

DU Correspondent

Vice-Chancellors of the country's private universities and educationists on Tuesday called for implementation of the proposed "Higher Education Quality Enhancement Project" (HEQEP) to ensure quality education and research.

They laid high emphasis on ensuring quality education, infrastructural development and conducting world-class research activities in the universities.

They made the call at a discussion on 'Setting up of National Research and Education Network (NREN) under the 'Higher Education Quality Enhancement Project' proposed by University Grants Commission (UGC) was held at UGC auditorium.

UGC member Prof. Ehsanul Haque presided over the function.

Vice-chancellors of private universities were present at the discussion. The VC's are Prof. Carmen Z. Lamagna of American International University of Bangladesh (AIUB), Prof Abdul Mathi Patwari of Asia Pacific University, Prof Abul Hasan Sadek of Asian University Bangladesh, Dr. M Shamsur Ali of Southeast University, Prof. Abdul Mannan Chowdhury of World University and Prof Monirul Haq of Darul Ihsan University.

Ehsanul Haque expressed the hope that the establishment of NREN under the "Higher Education Quality Enhancement Project" would elevate quality education and research activities throughout the country.

He said that all the universities would be immensely benefited through implementation of the proposed scheme. He urged the university authorities to come forward with all sorts of cooperation and support to execute the project.
