

Ad on recruitment of teachers under govt project false

The ministry of education in a clarification on Tuesday said an employment advertisement published in the name of the ministry in a local daily on December 28 last regarding recruitment of teachers under the "Model School and College Implementation Project" is totally bogus and false, reports BSS.

An official handout said, the ministry of education did not publish any such advertisement and urged all concerned not to be cheated responding to it.

According to the advertisement, a box has been opened with the newspaper and each applicant is asked to deposit non-refundable Taka 100 as bank draft with the principal branch of Pubali Bank, Dhaka.

Meanwhile, an initiative has been taken to record a general diary with the concerned thana in this connection. The advertisement manager of the newspaper concerned and the general manager of Pubali Bank have been requested to take necessary steps in this regard.

All concerned have been requested to remain alert against such act of cheating, as in the past such attempts were made to cheat people using the names of the minister and the officials of the ministry, the handout said.
