FIVE students were injured as BCL and JCD engaged in a clash on Govt Azizul Haque University College campus on Monday.

Witnesses said Jatiyatabadi Chhatra Dal brought out a procession on the campus, led by Shafiqul Islam Shafique, convener of the college unit JCD, as part of their central programme, at 12 noon.

Bangladesh Chhatra League brought out a separate procession on the campus at the same time demanding trial and punishment to war criminals, which also paraded different points on the campus.

At one stage, the two processions came face to face, sparking hot exchanges between the processionists which led to a clash, leaving five injured on both sides.

BCL college committee convener Mahamudunnabi Russel alleged that JCD activists attacked their procession leaving Chemistry 1st year student Sohag Hossain severely injured, a charge denied by JCD college unit secretary Shahabul Alam Piplu who claimed that it was BCL who attacked first leaving four JCD activists injured.

As tension prevailed between the two student organisations the police were deployed on the campus.
