

## BCL men tear down waiting list of admission seekers at MC College

Staff Correspondent · Sylhet

ACTIVISTS of Bangladesh Chhatra League on Saturday allegedly tore down the waiting list of selected students for admission in Class XI from the notice board at Sylhet MC College as the names of their fellows were not on the list.

Witnesses said a group of some 15 BCL activists at around noon tore down the list as it did not have the names of their favourites.

The BCL men also hurled abusive words on the college admission committee convener, Shafiq Newaz, the sources said.

Shafiq Newaz, also head of the chemistry department, however, declined to make any comment in this regard over mobile phone.

'I do not want to say anything at this moment. You can contact me directly later, if necessary,' he said disconnecting the phone call.
