

## Rabindra Univ to be set up at Shahjadpur, JS told

Bangladesh Sangbad  
 Sangstha Dhaka

THE prime minister and leader of the house, Sheikh Hasina, has said the government has taken a plan in principle to set up the Rabindra University at Shahjadpur in Sirajganj for conducting research on Nobel laureate Poet Rabindranath Tagore and keep his immortal creation unfaded in memory.

The government has a plan to establish outer campuses at Shilaidah in Kishitia and Patishar in Naogaon which carry the memories of the Bishwa Kabi apart from setting up the main campus in Shahjadpur,' she said.

Hasina said this in reply to a tabled question from treasury bench member Apu Ujal.

The prime minister said Bangladesh University Grants Commission had been requested to frame the draft of a law and DPP on the proposed 'Rabindra University'. 'It is being expected that the draft of the law and DPP would reach the government very soon,' she said.
