

KUET online admission process begins

Staff Correspondent · Khulna

THE online admission process for the first year honours of BSc Engineering and Bachelor of Urban and Rural Planning courses of 2015-2016 academic sessions of Khulna University of Engineering and Technology has started.

KUET vice-chancellor Muhammed Alamgir inaugurated the admission process at a programme held at KUET central computer centre on Thursday, said a university press release.

The candidates interested in getting admission to the university can collect admission form from the university website and submit those till October 11 midnight.

A student will have to fill in an application form and submit it as per instructions on the website.

The admission seekers are asked to contact registrar's office of KUET (PABX: +880-41-769468-Ext- 158, 138, 189) if they face any problem in the admission process.

The admission seekers may also have all the information about the admission tests on the notice board of registrar office and the university website www.admission.kuet.ac.bd, the release added.

After scrutiny of the applications, the authorities will publish a list of eligible candidates on the university website on October 27, said registrar of KUET Md Abdur Rouf.
