## 50 DU Senators slate conspiracy to remove VC

Varsity Correspondent

Some 50 members of Dhaka University Senate in a joint statement on Wednesday expressed concern over a Press report of the conspiracy to remove the university's Vice Chancellor Prof AK Azad Chowdhury and replacing him with a new Pro-VC by extra-constitutional means.

The senators in the statement said that the Dhaka University is an autonomous body and runs the Senate and Syndicate under the Dhaka University Ordinance 1973.

They warned that any attempt to remove the VC, who was elected securing highest vote for the second time, and replacing him with a new Pro-VC, will be resisted by the united efforts of all.
