BCL halts activities of BAU unit

BAU Correspondent

THE Bangladesh Chhatra League central committee on Sunday suspended the activities of its Bangladesh Agricultural University unit.

The decision came after a meeting of BCL central leaders on Sunday night, confirmed Md Mobarak Hossain, organising secretary of the central body.

Md Mobarak Hossain said that BAU committee had already expired and the decision was made in the wake of some recent unwanted events on the campus.

However, a fresh dynamic body would be formed very soon at the university, he added.

Earlier on August 3, at least 79 leaders of Chhatra League of the unit resigned protesting at the alleged involvement of unit's president and general secretary in extortion and anti-organisational activities.
