MOULVIBAZAR Jan. 4.—All the teachers of Shahjalal University of Science and Technology (SUST) who have been abstaining from taking classes since December 15 last will take classes from Sunday again.

The lion-portion of teachers of SUST under the banner of Teachers Association started absenting from taking their classes to realise their demands including appointment of fresh teachers, promotion of teachers, appointment of working teachers in permanent posts.

According to a decision taken in a meeting that was held at the end of December between the teachers association and the SUST authority, the teachers have decided to take respective classes from Sunday.
