## CU declares 50 LLB certificates null and void

CHITTAGONG, Mar 11:—Chittagong University on Sunday published a notification declaring null and void 50 LLB certificates including that of controversial HC judge Faisal Mahmud Faizee, reports UNB.

Controller of examinations Prof Muzaffar Ahmed told UNB that the notification was published following the Syndicate approved the inquiry committee report on March 3.

The inquiry committee found Faizee guilty of tampering with his LLB results and therefore his LLB provisional certificate issued earlier was cancelled.

Syndicate member Dr Helaluddin Nizami said the notification scrapping the 50 LLB certificates is being sent to the Chancellor, Anti-Corruption Commission and Registrar of the Supreme Court for taking punitive action against the holders of those certificates.
