## DU VC urged to take steps for reopening university

Staff Correspondent

The chairmen and directors of different departments and institutes of Dhaka University met vice-chancellor Prof. SMA Faiz on Sunday and requested him to take steps to reopen the university as soon as possible.

They apprised the VC of their opinion at a meeting held in the university Senate building on the day.

The chairmen and directors were positive about the reopening of the university and want restoration of normal academic atmosphere on the campus, said the DU VC Prof. SMA Faiz while talking to newsmen.

They were positive. There was a common feeling among the teachers that government and the university are not opposed to each other. The chairmen and directors want restoration of academic environment on the campus, he said.
