## Govt reschedules school timing for country's all edn institutions

The caretaker government fixed new school timings for all government and non-government schools and madrassahs in the country, reports UNB.

Under the new timetable, the educational institutions having only one shift from 10 am to 4 pm will now run from 8 am to 2pm from March to August while 10 am to 4pm from September to February.

The double-shift institutions will follow the previous school timings. Classes there will start at 7 am and close at 12noon for the morning-shift students from class-1 to X while start at 12.15pm and close at 5.25pm for the day shift.

"Heads of the educational institutions have to ensure attendance of the teachers-employees and students as per the new schedules," said an official announcement Sunday.
