Seminar on Master in Oracle

Observer IT Report

Manarat International University (MIU) and BASE Limited, the first and only authorized Oracle Education Partner in Bangladesh jointly organized a seminar on Master in Oracle at MIU campus, Gulshan, Dhaka on 11 March 2002.

Presided over by Dr. Md. Adnan Kiber, Professor and Head of Dept. of Science and Technology, MIU the seminar was graced by Mr. Ahmed Farid, Vice Chancellor of MIU as the Chief Guest, while B.N. Adhikary, Director of BASE Limited was present as the special guest.

In his speech, the Chief Guest Mr. Ahmed Farid said I am glad to know that BASE Limited has partnership with a world leader of Information Technology, and they have come up with a great approach to MIU for a collaborative programme in Oracle Education at our premise. I would ask the Head of the Dept. of Computer Science and Technology to look into the matter with a special care so that we can proceed formulating a terms of reference. I hope this will bring a great opportunity for students of our University to be inline with an advanced track of IT education that will lead to grow

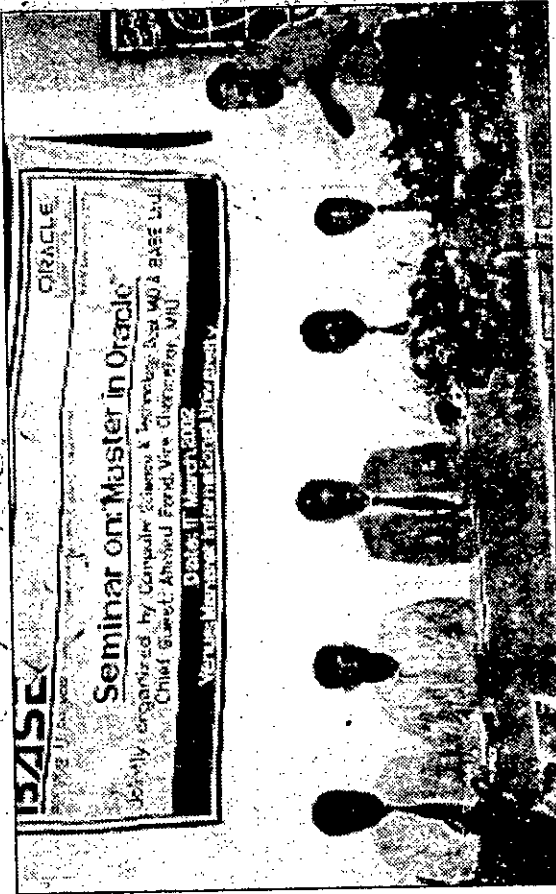

their career path, and that will ultimately benefit our country's IT sector producing quality human resource at world rank. BASE Director Mr. B.N. Adhikary said we are committed to provide

opportunity of students in this university for their career development in a world-seced field of IT, namely Oracle Technology.

Among others, Prof. Abbas Ali Khan, Mr. Sajjad Hossain and Mr. Ziaur Rahman also spoke in

the seminar. Attended by teachers and students of MIU, Mr. Mahbubur Rahman Ceaser, Asst. Centre Head of BASE Limited presented the keynote presentation on Master in Oracle in the seminar. The topic covered different levels how to become Master tracks of Oracle, especially Database Programming, System Analysis and Designing, and finally Database Administration. Also a well conversant description was provided how to become step-by-step Oracle Certified Professional (OCP) to get into the competitive edge. The presentation was followed by a question and answer session. Mr. B.N. Adhikary and Mr. M.R. Ceaser replied different questions coming from the audience.

The seminar concluded with a vote of thanks to the chair by Mr. Abul Basher Khan, Registrar of MIU.

From left Mr. Abul Basher Khan, Registrar, MIU, Mr. Ziaur Rahman, Lecturer, MIU, Mr. Farid, Vice Chancellor of MIU, B.N. Adhikary, Director, Base Limited, Dr. Md. Adnan Kiber, Professor & Head of Dept. of Science & Technology, MIU and Dr. Md. Abbas Ali Khan.

advanced IT education programmes with integrity and honesty throughout the process. We do not look into financial benefit out of it, but to experience with educational institutions like MIU and others. We believe collaboration between MIU and BASE will open up greater
