ISLAMIC UNIVERSITY, Aug. 19:—The Islamic University (IU) Registrar Dr Moslem Uddin issued a letter yesterday to Science Faculty Dean Prof. M Alauddin to recover all the salaries and honorarium paid from July 19, 2000-2001 fiscal year of 125 teachers, others and employees of the faculty.

Sources said, recently an audit team came to visit the university. After completion of audit they said the university authorities illegally paid the salary of 125 staff of Science Faculty showing them transferred from development fund revenue fund, which was finished in 1998-99 fiscal year. They added that this was not admitted by the Education Ministry. Decision of paying the salary was taken by the Syndicate and the Finance Committee of the University.
