Classes of Ctg BIT resumes today

CU Correspondent

CHITTAGONG, July 21:-The classes of Bangladesh Institute of Technology (BIT), Chittagong will resume today after a two-month unscheduled closure.

The gate of the dormitories of the Chittagong BIT opened at 9 am yesterday for the convenience of the resident students.

According to the BIT sources, one-third students of the dormitories have already embarked in their respective dormitories.

The BIT authorities closed it for sine die on May 6 after a series of clashes between the rival student groups mainly to establish supremacy in the campus.

Two rival groups of students belonging to Pro-BNP Jatiyatabadi Chhatra Dal (JCD) and pro-Jamaat Islami Chhatra Shibir (ICS) clashed in the BIT campus for three consecutive days in early May this year.

The BIT authorities took punitive actions against 14 students of the institute for their involvement in the clashes.

Of the 14 convicts five were the workers of Islami Chhatra Shibir (ICS) and nine were the workers of Jatiyatabadi Chhatra Dal (JCD)
