

Resist anti-Islamic role of govt, Hasina urges Madrasha teachers

Opposition Leader Sheikh Hasina called upon madrasha teachers and other Islamic preachers to fight unitedly a "false propaganda by Jamaat-Shibir and a quarter" against Awami League, reports UNB.

Exchanging views with the central executive committee of Madrasha Teachers' Association at Sudha Sadan, the AL chief also called for protesting what she said anti-Islamic role of the present alliance Government.

"The BNP-Jamaat Government after assuming power in the name of Islam is now playing an anti-Islamic role," she told the teachers of Islamic education.

Hasina narrated what the previous Awami League Government did for the cause of Islam and Madrasha development.

During discussion the leaders of Madrasha teachers informed Hasina that the present Government stopped giving permission for setting up madrasha and its recognition.

They mentioned that the AL Government had filed a case and taken punitive measure against a travel agency for its involvement in Hajj scandal.

But they regretted that the present Government "covertly gave Hajj license to the people of that agency".

Madrasha Teachers' Association Acting President Moulana Jahirul Islam and Secretary General Moulana Molsleuddin led the delegation in the meeting with Sheikh Hasina.
