Gano Forum condemns DU incident

Staff Correspondent

The Standing Committee of Gano Forum in a meeting on Saturday condemned the shoot-out and the act of terrorism between the Government-backed students' organisation and the students' organisation backed by the main opposition political party on the Dhaka University campus on August 4.

Presided over by Dr. Kamal Hossain, President of Gano Forum, the meeting expressed its concern at the closure of Dhaka and Rajshahi Medical Colleges and gun battle on Dhaka University campus.

The meeting asserted that such incidents could have been avoided if Jatiya Sangsad had taken a decision in pursuance of the memorandum submitted by the Gano Forum to the Speaker of Jatiya Sangsad on February 10 last. The meeting also decided to set up an enquiry committee by the Gano Forum to probe into the incidents of Dhaka University and medical colleges of Dhaka and Rajshahi.
