Education backbone of nation : Keramat

PATUAKHALI, Dec 24: Minister for Religious Affairs Muhammad Keramat Ali has said that the government has been working ceaselessly to ensure education for all by the

year 2000, reports BSS.

He was addressing as the chief guest on the occasion of foundation laying ceremony of Dr Yakub Ali Sharif College at Baga in the district of Patuakhali Tuesday.

The Minister said, Education is the backbone of a nation. He said, the present government has attached priority to raise the rate of education and as such highest budget allocation has been made to accelerate the pace of education. The development and Priority of a nation depends on the educated manpower who will carry forward the plans and programmes of the government towards successful completion, he added.

The Religious Affairs Minister said, the government is firm to weed out corruption and terrorism from the educational arena to help create healthy atmosphere. He urged all to contribute in creating a decent society for our next generation.

Earlier, the Minister presided over canal digging meeting at Patuakhali and underscored for taking comprehensive programme for launching canal digging in the dry season.

The Minister also inaugurated a panto at Baga launch ghat Tuesday.
