CU admission test

The Department of Economics, Chittagong University will conduct an admission test for the students seeking admission into the 1st year Hons. Class of the said department for the session 1978-79, on October 5, 1978 at 10.00 a.m. in the class rooms of the department. Answer scripts will be supplied by the Department in the examination hall, says a press release.

Call to introduce Islamic education

Thirty-six educationists, litterateurs and lawyers of Chittagong in a joint statement demanded introduction of Islamic education system in the country.

The signatories to the statement observed that there should be no controversy over the ideological basis of education as 85 per cent people of Bangladesh are Muslims. It is clear to every learner that secular education devoid of morality proved a total failure in the present world and thousands of aimless, indisciplined and frustrated youths in our country are the burning example of this, they said.

The signatories expressed satisfaction over the formation of National Education Advisory Council and urged upon the Council to frame education policy based on Islamic ideology. Otherwise, the people will not accept the education policy framed by a certain quarter, they maintained.
